

Packing List for the Great Cities Tour

Please keep in mind when making your selections for the trip that the school dress code still applies and will be enforced. The one exception is that hats are allowed to be worn outside, but must be taken off when entering certain buildings.

- No spaghetti straps or undergarments showing. Shirts, tops, and dresses must cover entire back and midriff.
- All pants and shorts should be worn so as not to expose underwear or boxers at the waistline. Use a belt if necessary.
- All skirts, shorts, and dresses should be an appropriate length, at least to bottom of fingertips.
- All jewelry and clothing must be appropriate, nothing obscene, vulgar, sexual or promoting illegal activity can be displayed.

*Please try to keep jewelry to a minimum as it will need to be removed for security reasons when entering buildings.

All prescription and over-the-counter medications must be in their original packaging with dosing instructions visible. Please alert your chaperone that you have them.

Students are allowed one suitcase to be stowed under the bus and one small bus bag (like a small backpack or duffel bag). We will not be opening the luggage compartment during transit, so put necessary items in your bus bag. It is also suggested that students carry a clean t-shirt and a toothbrush & small toothpaste with them each day in their bus bag as we spend a lot of hours away from the hotel.

Mandatory:

Good walking shoe/sneakers (flip-flops are only allowed in the hotel & at the pool)
